

# **Scumback™** ALNICO

**SCUMNICO 12"**

**The classic British guitar tone from the 60's recreated.**

The design & look is classic, but updated. The tone is to die for. The Scumback Alnico, aka Scumnico! Recreating the tone of the venerable Vox/Silver Alnico, but making it available for less than 1/2 the price, the Scumnico uses the renowned 75hz Scumback cone, with a 40 oz Alnico/Neodymium tipped magnet. Together they combine for better bottom end, swirling midrange and treble that's sweet & detailed.

Specially treated 75hz cone sounds 20 years old.

Pre Rola style doping just like the originals.

40 oz. alnico/neo magnet, 1.75" voice coil, 12" wide.

8 bolt pattern allows mounting to most amps.

Available in 15, 30, 65 & 100 watt HP power handling.

This speaker is like a vintage Silver Alnico model.

12-1/8" (30.79cm) diameter, 5-3/4" (13.01cm) deep without bell cover, 8.5 lb (3.63Kg) .
